PHASE 1 - FOUNDATION

Establish the identity, purpose, community, and transparent foundation of Gentle Warrior.

Gentle Warrior Origin

Gentle Warrior is a world created to raise awareness for children with cerebral palsy.
Soft Heart. Strong Spirit.

Inspired by a real family's journey through cerebral palsy, therapy, resilience, patience, and hope, Gentle Warrior exists to remind every child:

The Heart of Gentle Warrior

Baby Leam — our very own Gentle Warrior.

His journey is the inspiration behind this world, turning real experiences into stories, symbols, games, and meaningful experiences that celebrate resilience and every little win.
